On 28 March 2012, Area P4, comprising PricewaterhouseCoopers (PwC) Toastmasters Club, PESONA Toastmasters Club, MCOBA Toastmasters Club and ITC Bintang Toastmasters Club, held its 2011/2012 International Speech and Table Topics (ISTT) Contest. Hosted by PwC Toastmasters Club and launched by the Managing Director of PwC, Mr. Chin Kwai Fatt, the event was a first-of-its-kind – featuring not just a spirited contest between the club winners, but also a special celebrity guest visit by artist, philanthropist and motivational speaker, Poesy Liang, and a surprise vocal performance by Goh Yu Loong, to entertain the 60-strong audience. Participants enjoyed browsing through the event notice board, which included a feature on each of the contestants and organising committee, and sharing Post-It comments on the Wall of Thoughts. Leading up to the event, Area P4 Governor, Benny Chia, CTM, CL, promised participants a contest that would be “exciting and different” – as most participants would attest to, the Area P4 ISTT Contest was indeed an evening to remember!
