

PICKING UP THE BATON...

Dear members of District 51,

Warm and sincere greetings from your District Governor.

The last month must have been hectic for quite a number of us, as we made the final dash to the finishing line. It was well worth it, as the fruits of our efforts were indeed sweet.

Now it is time to start afresh with the new team in a new term, whilst not forgetting the learning we had acquired throughout our journey. Moreover, the criteria for the Distinguished Area/Division/District Program have also changed, therefore the need to fully understand the criteria in order to achieve the goals.

I wish to take this opportunity to welcome all of you on board, as we continue with our journey of self-fulfillment and development. My focus this term is to encourage all individual members to make full use of the opportunities provided by the club, especially the mentoring system, to get ahead. Be involved and participate, as a lot of opportunities are available at the club, area and division levels. Do not miss out on these opportunities. After all, that was the reason you joined the Toastmasters organization in the first place.

I would also like to take this opportunity to thank all of you for the trust and confidence you had in me by electing me to the office. As promised, I am here to serve, using my experience and enthusiasm to bring out the excellence in you.

Let us focus on achieving greatness together in the pursuit of leadership and educational excellence. No member is to be left out in this journey of self-fulfillment and development.

Seize the Moment to reignite the passion in you!
