

**CHIEF AMBASSADOR,
TOASTMASTERS PATHWAYS,
DISTRICT 51, 2016-2017,
SUE CHAN, DTM**

I would like to convey my sincere appreciation to District 51 and Toastmasters International for the opportunity to serve as the Chief Ambassador of Toastmasters Pathways.

The *Revitalized Education Program (REP)* is now known as the *Toastmasters Pathways*. We are proud that D51 has been selected to be one of the three Program Pilots after D57 and D27. The latest update is that Pathways in D51 will roll out in April 2017.

In order to bring awareness to the clubs about Pathways program, we have a team of Pathways Ambassadors to visit the clubs. They will share, update and answer your queries on the program. We have recently shared Pathways with all club officers who attended the recent COT2 sessions in all Divisions.

In order to have a smooth transition to Pathways, I would like to suggest that all Club Presidents and VPEs to take note of these points and guide their members.

- Remind and ensure that all your members know how to log into the TI website. Please coach members to do this because Pathways require them to go online to gain full benefits of the program.
- Access the TI website link on Pathways.

Get members to watch the series of short video clips to have an overview and better understanding of Pathways.

- Explain to members that the transition period ends two years from the time the last Region rolls out. Thus District 51 members have approximately two and a half years to complete their speeches (CC, ACs) in the current program.

Please check the list of Pathways Ambassadors who serve your clubs and grant them slots to visit your clubs.

I take this opportunity to thank this fantastic team of Ambassadors who have volunteered their time and efforts to help members pave the way for Pathways learning experience.

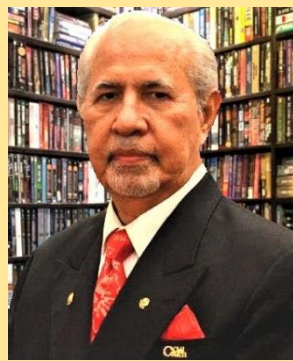

Let's all get ready for Pathways!
